How to Create an ILLiad Account

1. Starting on the ILLiad login page, enter your 8-digit UFID including the dash.

2. Type the temporary password “ill”.
3. Click “Logon to ILLiad” and proceed to change your password to something you can remember.

4. You are now ready to submit your first request! Learn how to:
   a. Submit a Request from your ILLiad Account
   b. Submit a Request from a Database
